

GSA Information Technology Professional Services Federal Supply Schedule, Special Item Number 132-51 and -52

Under the U.S. General Services Administration (GSA) Schedules Program (also referred to as Multiple Award Schedules and Federal Supply Schedules), GSA establishes long-term government-wide contracts with commercial firms to provide access to over 10 million commercial supplies and services that can be ordered directly from GSA Schedule contractors or through the GSA Advantage online shopping and ordering system. HGL now offers Information Technology Professional Services on a GSA Multiple Award Schedule, Contract No. GS-35F-0058J.

HOW TO ACCESS HYDROGEOLOGIC, INC.

Six quick steps to quality and value:

- Step 1. Establish your short- and long-term requirements.
- Step 2. Discuss the requirements with your HGL representative.
- Step 3. Prepare a statement of work (scope, schedule, and deliverables).
- Step 4. Obtain your contracting office's work approval and set up the funding mechanism.
- Step 5. Have your contracting office submit a Request for Quotation to HGL and two additional GSA contractors. Other contractors may be found on the GSA website (www.fss.gsa.gov).
- Step 6. Have your contracting office send the agreed upon statement of work directly to HGL, using your agency's approved GSA purchase order form.
